## SUMMARY

Passionate software engineering undergraduate pursuing a Higher National Diploma in Computer Software Engineering at BCAS Kandy Campus (Pearson College London). Experienced in UI/UX web development, proficient in Java, JavaScript, HTML and CSS with expertise in Git, Figma and Adobe XD. Known for designing intuitive user interfaces and delivering responsive web applications. I collaborate effectively with teams to meet project deadlines and continually enhance my skills through hands-on projects. Eager to contribute as a Software Engineer in a dynamic environment.
