10th Mile post, Digana, Rajawella.

SUMMARY

Driven and passionate software engineering undergraduate currently pursuing studies at BCAS Kandy Campus, with a Higher National Diploma in Computer Software Engineering from Pearson College London. I possess a strong foundation in programming and software development, demonstrated through successful contributions to collaborative team projects and hands-on coursework. These experiences have honed my problem-solving abilities and deepened my technical expertise in various programming languages and technologies. I am eager to join your company as a Software Engineer, where I can apply my skills in software development and problem-solving to contribute to your mission of creating innovative and user-friendly software solutions.
